# English Proficiency Certificate

#### ABOUT PROGRAMME

The programme is based on empowering the tenure “Human resources will be the foundation for creating a prosperous country. Therefore, human resource development will be primary responsibility of our government.” (Saubagya Dakma 2020)

Forward March for a fruitful human capital - has become the motto of the era and to make it a reality the Sri Lanka Foundation (SLF) has launched programs to harvest products of quality education for a better nation. Hence, SLF has taken the pride of sharing the vision of the government towards developing a human capital through quality education by practicing the norm of “Quality Education” aligning with 17 Sustainable Development Goals (SDGs) of United Nations.

#### AIM OF THE PROGRAMME

The aim of this Course is to enable students to develop their English language skills, so that they can communicate in English confidently and effectively during secondary / tertiary education and in their place of work later on.
