Sri Lanka Foundation

# **HND IN CIVIL ENGINEERING**

## ABOUT PROGRAMME

The programme is based on empowering the tenure “Human resources will be the foundation for creating a prosperous country. Therefore, human resource development will be primary responsibility of our government.” (Saubagya Dakma 2020)

Forward March for a fruitful human capital - has become the motto of the era and to make it a reality the Sri Lanka Foundation (SLF) along with Lincoln university College (LUC) has launched programs to harvest products of quality education for a better nation. Hence, SLF has taken the pride of sharing the vision of the government towards developing a human capital through quality education by practicing the norm of “Quality Education” aligning with 17 Sustainable Development Goals (SDGs) of United Nations.

“We would like to create an environment for students to have access to quality education at an affordable cost, subsequent employment and be a graduate through their own efforts” (Ms.Champika Amarasinghe – Chairman, SLF).

“Competencies and entrepreneurship would be the key for generating foreign employment and various revenue models, and Sri Lanka as a nation needs to secure foreign revenue by producing skilled human capital.” (Prof Dr. Amiya Bhaumik — President LUC)

SLF and LUC will jointly offer qualification which enable the students to acquire an academic recognition not only accepted in Sri Lanka but also recognized internationally for employment & higher education. Further Lincoln University College Malaysia will grant students a special scholarship and guaranteed credit transfer from HND to degree programs in Sri Lanka or Malaysia

## LIST OF COURSES/MODULES OFFERED IN THE PROGRAMME

SUBJECT NAME	CREDIT	SUBJECT NAME	CREDIT
Mathematics 1	3	Surveying 2	3
Fluid Mechanics	3	Engineering Mechanics, Statics and Vibration	3
Surveying 1	3	Engineering Drawing	3
Structural Mechanics	3	Concrete Technology	3
English 1	3	Structural Analysis	3
Leadership Skills and Human Relations	2	Structural Design-1 (RCC)	3
Engineering Geology	3	Soil Mechanics	3
Building Material & Construction	3	Computer Applications in Civil Engineering	3
Mathematics 2	3	Water Resource - 1	3
Quantity Surveying, Specification & Valuation	3	Environment Engineering - 1	3

## ENTRY REQUIREMENTS

G.C.E. Advanced Level

## COURSE DURATION

Minimum 24 months, Maximum 30 Months

## CREDIT TRANSFER OPTIONS - HND QUALIFICATION

### Australia

Australian National University  
Bond University  
Charles Sturt University  
Edith Cowan University  
Federation University  
University of Tasmania  
University of Wollongong

### Canada

Seneca College  
Conestoga College  
Fanshawe College  
Centennial College  
Georgian College  
Confederation College

### New Zealand

Unitec  
Northtec  
NMIT  
Toi Ohomai  
SIT  
Canterbury University  
AUT University

### United Kingdom

Glasgow Caledonian University  
University of Stirling  
University of East Anglia  
Manchester Metropolitan University  
University of Gloucestershire  
Northumbria University  
Solent University  
Roehampton University  
Ulster University
